Dear Mr. Moir,

Scone and District Community Council fully supports your opportunity to put forward an offer to buy the land under the Community Right to Buy Abandoned, Neglected or Detrimental Land. This area has been left in an untouched and neglected state since it was bought in August 2016.

It must be recognised that this peaceful, grassy area provides a relaxing centre to Woolcombe Square whilst containing two beautiful examples of mature oak trees whose canopy has been allowed to fully extend to form a natural habitat for wildlife.

The ideas your committee have for improvement, including seating, flower beds, wild paths, sensory gardens and plants with access for disabled children and adults, will be a benefit to the wider community and maintain a living, breathing area for the residents.

Open spaces are being destroyed all around us for financial gain with little cognisance taken of the effect on the wildlife and general health of the population. We all need space to reflect and relax from the pressures of everyday life and these individual pockets must be protected for the wellbeing of the community. We applaud your efforts and wish you all success in the future with this project,

Yours Sincerely,

Dear Sir/Madam

I have been asked to write a short letter regarding the proposed garden area for Woolcombe Square, in Scone.

Our children, in particular our pupils in the Autism Base, often make trips around the village to enjoy and learn from our local community. Should the proposed garden be suitable for these purposes we would very likely be able to visit and enjoy it.

Yours sincerely

Woollcombe Square Residents' Association

The Scone & District 50+ Group is happy to support the above association who, under new legislation, wish to put forward an offer to buy land under the Community Right to Buy Abandoned, Neglected or Detrimental Land.

The land in question has been left in an untouched state since it was bought in August 2016. The Woollcombe Square Residents' Association is anxious to buy the grassed area and turn it into a useful and usable public green space,

Yours sincerely,

Penelope Arnott

A Community led Initiative

Woolcombe Square Residents Association

To whom it may Concern

I am writing on behalf of Scone Remembers SCO, to show our support for the Residents Association of Woolcombe Square Scone, in creating a community space available to the whole community.

We believe such a project will greatly benefit community in creating a safe space for children to play and will inspire local residents to work together and help to give a feeling of a more connected community.

I confirm you have the full support of Scone Remembers SCIO.

Yours Faithfully

Dear Sir,

Abandoned Land, Woolcombe Square , SCONE

The Scone Village Association are fully supportive of the Woolcombe Square Association's proposal to buy the grass land that was purchased in Autumn 2016 and has lain untouched and abandoned since then. We fully endorse the proposed application under the Community Right to Buy Abandoned, Neglected or Detrimental Land Legislation, believing that their plan to turn this parcel of land into a community space with flower beds and seating with the possibility of children's play equipment will not only greatly enhance Woolcombe Square but will also be of benefit to the Scone Village as a whole.

We wish you every success with your application with this worthwhile venture and hope that it will come to fruition soon.

Yours sincerely

Douglas A Sutherland [by email]
